	Homepage	<a href="https://www.fukuyamaconsul.co.jp/">https://www.fukuyamaconsul.co.jp/</a>							
	Rep. Position	President			Rep. Name	Fukushima Koji			
	Company Information	<p>Bridges and roads are the core of people's lives and economic activity. In order to maintain this social capital smoothly and efficiently, construction consultants play a good role as technical partners with national and local government businesses.</p> <p>Since our establishment, under the technical philosophy "The Foundation is Technology" and with the motto to pursue and study technology, we have been making our technical training support stronger for employees, such as overseas training, getting college degrees and qualifications (such as engineers). To better achieve work/life balance, we are motivating and changing employee attitude and developing systems for nursing and child care.</p>
